Chugim Descriptions

(*Chugim* is Hebrew for 'Classes')

Boker Tov! Opening Circle (9 AM–9:55 AM)

Let's start our day of right -- with a bit of silliness, classic camp songs and dancing and hilarious skits to help wake us up.

Bio-Break: Grab a snack, water, use the restroom, and get ready for our first round of chugim (classes)!

Closing Circle (11:50 AM–12 PM)

Ending our day with a final round of games and challenges before we say goodbye! Don't forget to clean up your camp space if things got a little messy during the chugim sessions!

Mondays

Chugim Block #1 (10 AM – 10:50 AM)

- Tie-Dye Workshop
 - Are your clothes looking a little plain? Are you sick of stains on your all white clothes? Do you wish you were back in the groovy 70s? If you answered yes to any of the above, this class is for you! Grab your favorite white clothing items and let's get colorful!
- Yogis Unite!
 - Come stretch it out and get your namaste on with Ms. Sommer for her yoga class! All levels of experience and flexibility are welcome to partake. Yoga is a great way to reduce stress, find your inner peace, and become a star on Instagram doing seemingly nothing.
- Pictionary
 - Play a classic game converted to online format! Players will receive fun, themed drawing prompts and will guess as a group or in teams!

Chugim Block #2 (11 AM – 11:50 AM)

- Drawing 101
 - Grab a paper and your favorite writing tools! Let's learn and develop your drawing skills by learning how to draw different creatures and favorite characters. All skill levels welcome.
- 20 Questions
 - Are you a celebrity? A politician? A fictional character? Let's find it! Can you figure out what or who you are? You'll get to ask 20 questions to the rest of the group to narrow down the possibilities!
- Broadway Set Design
 - Learn to design your own set for your own show! We'll be sketching and making 3D models of a set for a show. Using art supplies and our imagination, we'll design the layout of the stage for our dream shows.

Tuesdays

Chugim Block #1 (10 AM – 10:50 AM)

- Mafia/Werewolf
 - Play games of social deduction during this time of social distancing! Players will be put into groups and will have to trick the other players to win! ***minimum 5 players required for this chug***
- HIIT FIT (High Intensity Interval Training & Fitness)
 - Get ready to sweat with our high intensity interval training and fitness challenges every week that will focus on strengthening and improving balance, flexibility, reflex, and overall sports performance. #FeelTheBurn

- Collaging
 - Find interesting collaging materials around the house (and yard), and then learn different cutting/pasting techniques to create your own incredible bizarre art to showcase in the window art displays.

Chugim Block #2 (11 AM – 11:50 AM)

- Reading Rainbow
 - Reading books aloud that cover the full rainbow of colorful characters, settings, and stories! Children are encouraged to bring their favorite books to read and share, too. Queue the infamous lyrics...
 - Butterfly in the sky, I can go twice as high, Take a look, it's in a book, A Reading Rainbow!
- Riddle Me This!
 - Why's a raven like a writing desk? Let's get our brains thinking with fun riddles! Bring riddles to share with the group or make your own!
- Spanish con Nereyda
 - An interactive Spanish class. We'll do some fun games like loteria and hangman to make learning a new language fun and easy. We'll go over the alphabet, vocab words, and spelling. Reading and writing comprehension necessary.

Wednesdays

Chugim Block #1 (10 AM – 10:50 AM)

- Taste the Rainbow
 - With the theme of the week being rainbow (also Happy Pride month! <3) I think we should make a tie-dye cake. This is a baking class where I will show you how to get the tie dye effect in a layered cake. I will also show how to make frosting, pipe with a plastic bag, and how to create a fun surprise in the middle of the cake. If we think cake is too much, I can also do rainbow or ombre cookies.
- Poetry Corner
 - Amazed by the beauty of nature? Love to write? Combine your passion for the outdoors and flowing poems in this nature-based poetry chug. Haikus, limericks, acrostics, free form, and more! By the end of the week we'll have a digital poetry collection for all.
- Chess
 - Successfully move your pawns, protect your Queen! We'll practice fun and interesting chess puzzles in a fully structured online tournament! #checkmate

Chugim Block #2 (11 AM – 11:50 AM)

- Star Wars: Exploring the Galaxy Far, Far Away
 - Time to nerd out hard in this intergalactic space discussion where the group will learn and discuss anything and everything that Wookieepedia couldn't answer (or maybe could, but you're still convinced that Greedo could have shot first).
- DIY Costume Party
 - Extra fabric lying around? Old clothes that maybe don't fit anymore? This is the perfect class to take what you have and convert it to something unique and fun!
- Broadway Rhythm
 - Give your regards to Broadway! Come and sing and dance your hearts out with Leo! You'll be learning different dance routines and songs to some popular Broadway showtunes!

Thursdays

Chugim Block #1 (10 AM – 10:50 AM)

- 1, 2 Step: Choreography with Crystal
 - Twirl, kick-ball-change, fist pump? Let's choreograph dances to our favorite songs together! Each class we will break down a different song and collaborate to make a fun dance piece to 'perform' for families at the end of class.
- Hands & HeART
 - We'll take all the fun of finger painting to create masterpieces! We'll use our hands to create art! No tools, just our fingers, paint, and paper. Once we've mastered not getting all paint all over our hair and face, we can start designing on t-shirts!
- Scattergories
 - The epic brain game of Scattergories is a classic to get all the brain juices flowing with word lists, rules tweaked for different ages and reading/writing levels, and a chance to beat out the timer (and maybe some adults too!).

Chugim Block #2 (11 AM – 11:50 AM)

- Color Theory
 - All are invited to this ROY G. BIG party! We are going to explore the different colors and their artistic significance.
- Cutie Pies
 - Learn to make mini galettes, which are a rustic free form pie! We can do sweet and savory options. I can show you a few ideas and provide ingredients lists for either a fruit

pie or more of a breakfast option. Put an egg in it! (***please note this class may require partial adult supervision!***)

- Wonderful Weaving
 - Grab the yarn and bring some of your favorite patterns for our weaving class! You'll learn various weaving techniques and create a beautiful bowl utilizing the coil method.

Fridays

Chugim Block #1 (10 AM – 10:50 AM)

- Twisted Texts & Crossing Over Crosswords
 - Sporcle, Text Twist, Crossword, oh my! Come play fun, quick, online word/trivia games with Camp staff!
- Broadway Fashion
 - We'll be designing our own costumes and make up plots! We'll use different articles of clothing from our closets OR sketch them out.
- Say Cheese!
 - Learn how to make homemade ricotta cheese! Watch how acid separates the curds from the whey and talk about the science of cheese. Then we will make our own pasta to fill and eat! (***please note this class may require partial adult supervision!***)

Chugim Block #2 (11 AM – 11:50 AM)

- Jews Schmooze! Yiddish-isms 101
 - Let's *kvetch*! Learn and practice some common Yiddish phrases together while learning about Jewish traditions, culture, and stories. Grab a quick *nosh*, and get ready to *kvell* about when we'll have to *schlep* everywhere again!
- Creative Writing
 - Bring your stories to life as we learn how to write short stories, prose, poetry, and beyond. Everyone has experiences to share and stories to tell. Club J will create a CW book at the end of the chug with samples of the great work the students accomplish during the chug.
