## **MONDAYS**

### **Sarah's Science-Toyology**

In these exciting classes we will build a variety of toys and use them to demonstrate major scientific concepts such as energy, electricity, light, gravity, motion, friction, magnetism and simple machines. Each student will construct and take home a science toy in every class. Project highlights this fall include: Electric Ring Toss Game, Twirling Tube Car, and lots more!  
**Grade Level:** K—3 **Time:** 3:15PM–4:15 PM **Tuition:** \$330

### **French**

Students experience French language in an innovative, playful and dynamic class. With fun themes each week, games and cultural teachings are provided at all times.  
**Grade Level:** 2—5 **Time:** 3:15PM–4:15PM **Tuition:** \$270

### **Violin- Superpower of the Song**

Small group violin class. Students will get some 1:1 time with the instructor as well as group instruction. Instrument rental required. Students can rent from Ifshin Violins.  
<https://www.ifshinviolins.com/Services/Rentals>. \$16 per month for a student violin. They will help with sizing.  
**Grade Level:** K—5 **Time:** 3:15PM–3:55PM **Tuition:** \$330

### **Tennis- Euro School of Tennis**

The After- School Tennis program teaches your child the skills and rules to build a strong, athletic foundation for the game popular around the world. No equipment is needed; we provide. Our coaches are passionate about tennis and want the next generation to love it as well.  
**Grade Level:** K—3 **Time:** 3:15PM–4:15PM **Tuition:** \$390

## **TUESDAYS**

### **Ukulele (K-1)**

With an open chord tuning and four strings, Ukulele is accessible and fun for all students new to music. Students learn chords, rhythms, songs and melodies. Ukulele available for rent (\$15) for the duration of the session and to bring back home for practice.  
**Grade level:** K—1 **Time:** 3:15PM–4:15PM **Tuition:** \$270

### **STEM w/ Legos**

Level up your engineering skills with Play-Well TEKnologies and tens of thousands of LEGOS® parts! Apply real-world concepts in physics, engineering, and architecture through engineer-designed projects such as Motorcycles, Aircraft Carriers, Conveyor Belts, and Rail Racers! Design and build as never before and explore your craziest ideas in a supportive environment.  
**Grade level:** 1—5 **Time:** 3:15PM–4:45PM **Tuition:** \$240

### **Rock Band**

Modern Band with Mr. D. Learn basic to intermediate techniques on ukulele, guitar, bass, keyboards, drums, and more as you jam with your friends. No experience or instruments necessary. Students will have the opportunity to perform for family and friends.  
**Grade Level:** 3—5 **Time:** 3:15PM–4:30PM **Tuition:** \$210

### **Rolling with Phil— It's Back!**

During the class, we will work on the basics needed to safely enjoy inline skating and roller skating. My overarching goal with this class is to spread the love and joy I gain from skating to a new generation. The class also hones mindfulness skills required to stay in full control when on your skates.  
**\*\* This class meets Tuesday and Thursday! \*\***  
**Grade Level:** K—5 **Time:** 3:15 & 4:15 **Tuition:** \$105

## **WEDNESDAYS**

### **Hanabi! Judo**

Hajime! (Begin!) establishes a strong base of judo technique, culture, and character. Hajime students learn to fall safely. We sing in Japanese about inspiration and bow to each other respectfully. Respect and discipline are as much a part of Hanabi as smiling.  
**Grade Level:** K—3 **Time:** 1:45–2:45 PM **Tuition:** \$282

### **Computer Lab with Helene Moore**

An excellent opportunity to work in the computer lab with freedom to explore approved Internet activities, practice tech skills and work on class projects. Students enjoy working in this non-structured, informal setting and benefit greatly from sharing ideas with their peers.  
**Grade Level:** 1—5 **Time:** 1:45PM & 2:45PM **Tuition:** \$178

### **Arts Journey**

Arts Journey is an inspiring class that offers a variety of art experiences by exploring art techniques and processes in 2 & 3-D art: drawing, painting, printmaking, cartooning, and sculpture in clay/paper/wire/found materials. Instruction provides enough guidance for success but allows enough freedom for personal creative expression.  
**Grade Level:** 1—5 **Time:** 3:15PM–4:15PM **Tuition:** \$330

## **THURSDAYS**

### **The Berkeley Chess School**

Chess is fun and can be learned quickly and easily. Studies have found that chess helps improve test results in reading, science, math and procedures growth in critical cognitive skills. Beyond academia, chess influences social behavior including self- esteem, respect for others, patience and good sportsmanship. Did we also mention it's FUN!  
**Grade Level:** 1—5 **Time:** 3:15–4:15 PM **Tuition:** \$234

### **Ukulele (2-5)**

With an open chord tuning and four strings, Ukulele is accessible and fun for all students new to music. Students learn chords, rhythms, songs and melodies. Ukulele available for rent (\$15) for the duration of the session and to bring back home for practice.  
**Grade level:** 2—5 **Time:** 3:15PM–4:15PM **Tuition:** \$270

### **Improv with Geri**

In this class, students will be introduced to basic concepts of comedy improv such as “yes and” (enthusiastically accepting what is offered), “group mind” (listening to each other and working as a team” and “space object work” [miming]). Using warm- u exercises and “structures”, students will be encouraged to trust their instincts, think on their feet and actively support each other. They will also laugh a lot!  
**Grade Level:** 2—5 **Time:** 3:15PM–4:15PM **Tuition:** \$210

### **Small Group Piano Class- Superpower of the Song**

Superpower of the Song provides high quality music instruction while cultivating creativity and inspiration that will last a lifetime. Have fun while exploring musical concepts such as pitch and rhythm, developing musical sensitivity, knowledge of keyboard geography, patterns on the keys, singing, playing songs, performance protocols, musical games and more!  
**Grade Level:** K—5 **Time:** 3:15–4:00 PM **Tuition:** \$300

## **FRIDAYS**

### **Cooking Around the World**

We will be looking at countries that have historically had conflicts and discuss how “breaking bread” and sharing a meal can be a path to recognizing differences and making peace. We will be cooking and eating foods from countries that have or had conflicts: North & South Korea; Spain & Mexico; England, Scotland & Ireland; Kurdistan & Turkey; Peru and more.  
**Grade Level:** K—5 **Time:** 3:15PM & 4:15PM **Tuition:** \$210

### **Garage Band— It's Back!**

Garage Band is a fun after school opportunity for your kids (grades 3-5) to hang out and learn how to record their own music using Apple's free music software, Garage Band. In the computer lab at Joaquin Miller, your kids will have the opportunity to learn basic music arrangement, instruments, and songwriting from Logan Groth, a graduate of San Francisco State's Music Business and Recording Program. Get ready to be inspired to make your own music and have some fun after your school day!  
**Grade Level:** 3—5 **Time:** 3:15PM–4:15PM **Tuition:** \$280

### **Sketching**

Students explore different drawing aspects and techniques such as portraiture, perspective, still life, realism/abstract, line and patterning.  
**Grade Level:** 2—5 **Time:** 3:15PM–4:15PM **Tuition:** \$270

### **Cisco's Farm & Garden Class— It's Back!**

This class will enrich the children's lives by developing self-esteem, an appreciation for animals and nature. Kids will be learning about the animals that will visit them. Kids will also learn how to plant veggies from seed. They will work with their hands in the school's garden. The class will be a mix of gardening and visits from a variety of farm animals.  
**Grade Level:** K—5 **Time:** 3:15PM— 4:15PM **Tuition:** \$260

**Please note, all classes include an additional \$30 admin fee.**
