

KIDS CLUB CLEVELAND

ABOUT KIDS CLUB

Kids Club is an extension of the formal school day as it serves to complement and enhance learning in the classroom through educational, physical, artistic, and social experiences in a welcoming, inclusive environment. With a small student to teacher ratio (14:1), Kids Club provides children an opportunity to expand their learning, develop meaningful relationships with their afterschool teachers, and build community with their peers. The program also offers healthy snacks, homework help, outside play, and plenty of downtime to unwind and have fun.

ENRICHMENT PROGRAM

Programs are divided into three 10-12 week sessions (Fall, Winter, Spring) and offer two activity periods each day. Our internal teaching staff develops lesson plans in subjects of their interest and passion. Snacks and free play are provided. At the end of each session, there is a Family Enrichment Night with displays and performances to celebrate and share student work with our Kids Club families.
